Here is what USCCB says about this product:

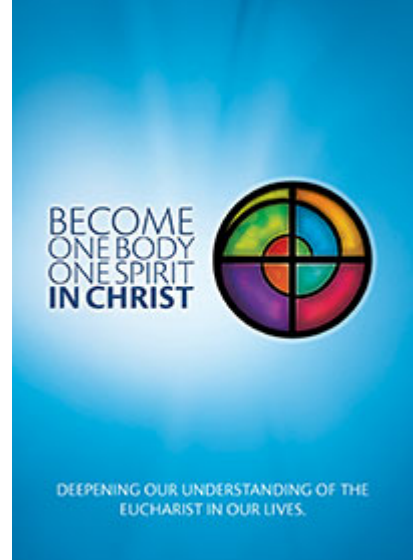

Over forty years have passed since 1969 when the first translation of the Mass into English was issued. Much has changed-including our ability to understand, articulate, and translate the words we use during the Eucharist. We hope that this parish guide will help leaders-priests, liturgists, musicians, DREs, principals, teachers, youth ministers, and volunteers-bring this new translation to life in the parish. The guide includes practical resources to create the parish implementation plan including a calendar, ministry-specific suggestions, "to do" lists, bulletin inserts, homily helps, and a comprehensive bibliography of other available materials. Reawaken your parish's love for the Eucharist as you introduce them to the changes in what they say and hear through the simple, practical steps laid out in this parish guide.

Here is what FDLC says about this product:

With the arrival of the English translation of the third edition of the *Roman Missal* many of the liturgical texts we have known are changing. In this period of liturgical change these background essays provide a sure foundation upon which to develop catechesis to prepare for and implement the new translation.

- "Liturgical Leadership in a Time of Change" (Kicanas)
- "Liturgical Implementation of the *Roman Missal*" (Foster)
- "Liturgical Participation of God's People" (Francis)
- "Divining the Vernacular of Liturgical Texts" (Turner)

Here is what USCCB says about this product:

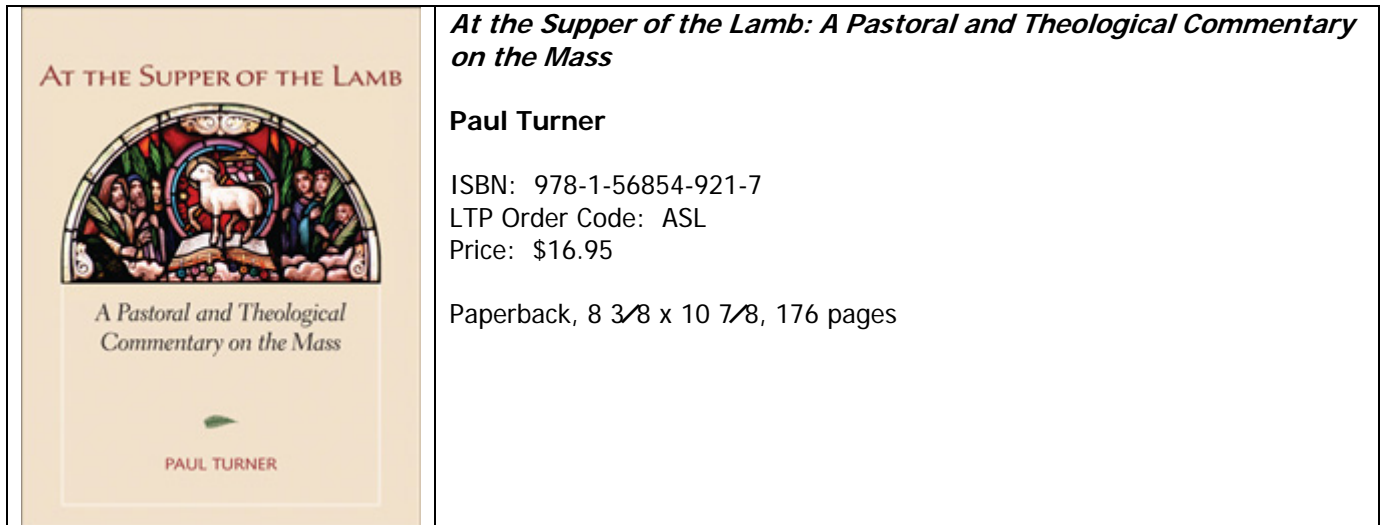

This collection of essays, commissioned by the Federation of Diocesan Liturgical Commissions, provides a foundation to help prepare for the reception and implementation of the third edition of the *Roman Missal*, and a perspective on embracing the changes within the context of the liturgical history of the Church.

<ul style="list-style-type: none"> • These four study papers were commission by the Federation of Diocesan Liturgical Commission [FDLC] and were first used during the National Meeting in October 2009 by the members • Two papers were part of the first meeting with priests on <i>Roman Missal</i> formation • “Divining the Vernacular of Liturgical Texts” by Father Paul Turner gives a short history of the missal, how it evolved, what happened at Vatican Council II, and current translation issues • “Liturgical Participation of God’s People” by Father Mark Francis addresses the pre and post Vatican Council II understanding of the “active participation” principle and how it is more broadly understood today • “Liturgical Leadership in a Time of Change” By Bishop Gerald Kicanas addresses very practical steps for dioceses and parishes to face liturgical change in helpful and pastoral ways

Link: <http://www.ltp.org/p-2230-at-the-supper-of-the-lamb-a-pastoral-and-theological-commentary-on-the-mass.aspx>

Here is what LTP says about this product:

At the Supper of the Lamb: A Pastoral and Theological Commentary on the Mass walks you through each part of the Mass. Its structure follows the Order of Mass in the third edition of the *Roman Missal*. This book is an invitation to worship, a call to new intention, and a deeper awareness of the privilege we share to be invited to the supper of the Lamb. Includes texts from the revised translation!

This book includes:

- Separate chapters for each of the four parts of the Mass
- Texts from the third edition of the *Roman Missal* and *General Instruction of the Roman Missal*
- Pastoral, theological, and historical background on every part of the Mass
- Questions for Discussion and Reflection
- Explanatory footnotes

This book will be helpful to:

- Understand the Mass
- Learn the texts from the third edition of the *Roman Missal*
- Facilitate discussion and adult faith formation sessions on the Mass
- Prepare vibrant and dynamic liturgies
- Evaluate your community's celebration of the Mass.

Paul Turner holds a doctorate in sacred theology from Sant' Anselmo in Rome. He is a priest of the diocese of Kansas City-St. Joseph and the pastor of St. Munchin parish in Cameron, MO. He is a former president of the North American Academy of Liturgy and a team member for the North American Forum on the Catechumenate. He serves as a facilitator for the International Committee on English in the Liturgy.

At the Supper of the Lamb: A Pastoral and Theological Commentary on the Mass.

From the Introduction:

“This book will help you understand the parts of the Mass so that you may enter them more intentionally and prepare for them with wisdom. It is not a pure history or commentary, though there are elements of those fields. It is an invitation to worship, a call to new intention, a deeper awareness of the privilege we share to be invited to the supper of the Lamb.

From the Afterword:

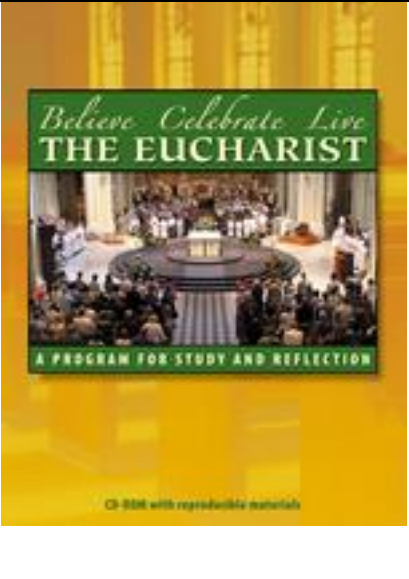

“Prayer is simple. It is experiencing the love of God. It is the stopping of other things so that the heart can know its maker....

“Those who work through this book will find themselves either more distracted or more involved at Mass. That is the risk of analyzing prayer.

“If you place yourself at prayer whenever you are at Mass, all else will disappear. It will be you, the community of the faithful, and Christ, who invites you to be his Body at the Supper of the Lamb.”

STRENGTHS	WEAKNESSES AND CONCERNS
<ul style="list-style-type: none"> • Follows the Order of Mass in the <i>Roman Missal</i> that includes Eucharistic Prayers I, II, III, and IV; maintains the same numbering • Proceed from the beginning of Mass to the end, rite by rite • For each rite, Turner provides: <ul style="list-style-type: none"> ○ text and rubrics from the Order of Mass, ○ citations from the General Instruction of the Roman Missal as well as additional numbers, ○ background with extensive footnotes, ○ questions for discussion and reflection 	<ul style="list-style-type: none"> ○ Does not address the Appendix to the Order of Mass (the other Eucharistic Prayers) or other parts of the missal ○ Brief Table of Contents only lists the four parts of the Mass; no index – those not completely clear on the exact ordering of the rites may do some page turning to get to the desired rite – easily remedied by having an outline of the rite at hand
RECOMMENDATIONS FOR USE	
<ul style="list-style-type: none"> ❖ Priests, parish life coordinators, deacons, musicians, and liturgy committee members will find this an invaluable help for their ministry ❖ Catechists and teachers who teach the Mass will appreciate this background ❖ Small group leaders for study groups, for faith sharing groups will be more confident with this resource at hand especially if liturgy/Mass is not a learning/teaching strength

RECOMMENDATIONS FOR USE	
<ul style="list-style-type: none"> ❖ This is a program not on the new English translation for Mass, but on Mass itself ❖ It is helpful for foundational liturgical catechesis on Mass that can either precede the mandatory implementation in Advent 2011 or follow it – or both ❖ This book will be useful for many years as an aid to ongoing reflection on Mass, as a resource for the Period of Postbaptismal Catechesis or Mystagogy in the <i>Rite of Christian Initiation of Adults</i>, as parent preparation whose children are preparing for first Communion ❖ Although the \$50.00 list price seems high, a parish will only need one copy since the book and the CD-ROM provides ways to reproduce all that is needed for leader(s) and participants

Here is what LTP says about this product:

You may have heard that there will be some changes to what we hear and say at Mass. Mass will remain the same, but some of the words will be different. Written by Paul Turner, a priest of the diocese of Kansas City-St. Joseph, this booklet provides a brief yet deep explanation of how and why the prayers and responses of the Mass are changing. It will help you understand these new words so that you will be able to participate at Mass when the translation is ready to use.

Inside you will learn:

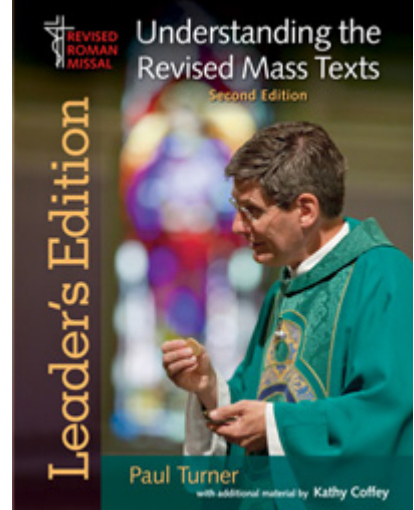

- The new words we will soon say at Mass;
- The importance and meaning of the words we hear and say at Mass;
- The rationale and process for translating the prayers of the Mass from Latin into English;
- The significance of the translation in relation to the parts of the Mass;
- How deeply the Mass is rooted in Scripture.

The 8 sections:

1. Why and How are the Mass Texts Being Revised? [available as pamphlet]
2. The Introductory Rites
3. The Gloria and the Liturgy of the Word
4. The Profession of Faith
5. The Liturgy of the Eucharist
6. The Eucharistic Prayer
7. The Mystery of Faith
8. The Communion and Concluding Rites

STRENGTHS	WEAKNESSES AND CONCERNS
<ul style="list-style-type: none"> • Content well written with a positive outlook on the translation changes • Content also addresses some places where people may have some difficulty • Some constant repetitions: <ul style="list-style-type: none"> • “this will change; but this will not change or will remain the same” • “changed words; same faith” • Some comparison of current and new texts with explanation • Pictures show a variety of actual parish celebrations, are inclusive, and connect text to celebration 	<ul style="list-style-type: none"> ○ May be too wordy for some ○ Print is small in the one individual brochure; a little larger in the booklet ○ Odd ordering of the content; does not follow in order the outline of the Order of Mass; e.g., <i>Gloria</i> is treated after the Collect or Opening Prayer in the third chapter with the Liturgy of the Word ○ Expensive for distribution to the whole parish: booklet at \$1.25 list ○ Because of the organization, no one single chapter stands alone covering a logical part of the Mass (e.g., the Liturgy of the Word is addressed in two chapters that also includes the <i>Gloria</i>)
RECOMMENDATIONS FOR USE	
<ul style="list-style-type: none"> ❖ Priest and parish life coordinators use the booklet for self study; a quick way to become aware of what will change and what will not change ❖ Engage in informal conversation on this self study with priests and parish life coordinators in deanery, in support group, and in parish cluster or region ❖ Assess the needs and pastoral circumstances for the leaders and the parishioners at large ❖ Determine whether or not to share the booklet <ul style="list-style-type: none"> ❖ with parish staff ❖ with school faculty and staff; PSR catechists and staff ❖ with liturgy committee members and musicians ❖ with pastoral and finance council members ❖ with some or all of the above ❖ May be difficult to use for general parish distribution (because of length, detail, and cost) ❖ Perhaps purchase for distribution to those who are interested <ul style="list-style-type: none"> ❖ by placing in the parish book or pamphlet rack ❖ by taking to or making reference to them at parish meetings

Here is what LTP says about this product:

You may have heard that there will be some changes to what we hear and say at Mass. Mass will remain the same, but some of the words will be different. Prepare for these changes with *Understanding the Revised Mass Texts Leader's Edition*. Because changes have been made to the Order of Mass since its *recognitio* in 2008, a second edition of *Understanding the Revised Mass Texts Leader's Edition* will be available as soon as the final texts are provided. The second edition of this *Leader's Edition* is the companion to the booklet, *Understanding the Revised Mass Texts*, written by Paul Turner with additional material by Kathy Coffey. The booklet is reprinted in this *Leader's Edition* with page specific catechetical notes for adult faith formation session leaders.

Inside you will find:

- A pastoral introduction;
- Outlines for eight adult faith-formation sessions;
- An image of the corresponding page from the Understanding the Revised Mass Texts booklet with marginal notes explaining each page;
- Annotations for matching up the leader's edition with the pamphlets;
- Arrows and highlighted texts emphasizing important concepts;
- Charts comparing the current and forthcoming translations;
- Engaging questions for discussion during sessions;
- Take home reflections;
- A notes section for you to write down thoughts and idea.

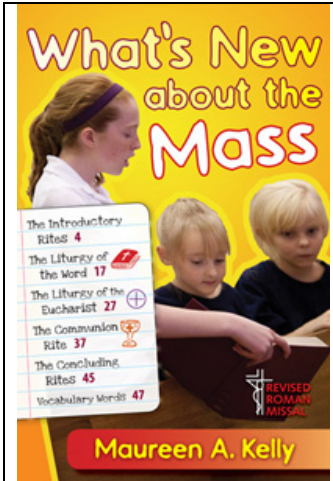

It will assist you in:

- Training parish staff to answer questions about how and why the revisions were made;
- Preparing presentations and homilies explaining how the translation is rooted in scripture;
- Creating faith formation sessions that prepare parishioners for the responses they will soon say.

Here is what LTP says about this product:

The Order of Mass: A Roman Missal Study Edition and Workbook is a fundamental resource for priests and liturgists as they prepare for the implementation of the revised Roman Missal. Following in the style of *Workbook for Lectors*, this book includes texts and chants from the entire Order of Mass as well as pastoral commentary and proclamation aids by Michael Driscoll and J. Michael Joncas. These features will help priests understand and proclaim the texts more fully. The pagination for this study edition and workbook matches that in the published edition of *The Roman Missal* for ease of study and reference.

This resource includes:

- texts and chants from the Order of Mass from the third typical edition of *The Roman Missal*
- all Eucharistic Prayers, including Eucharistic Prayers for Reconciliation and Eucharistic Prayers for Use in Masses for Various Needs
- sample invocations for the Penitential Act
- various additional chants for the Order of Mass

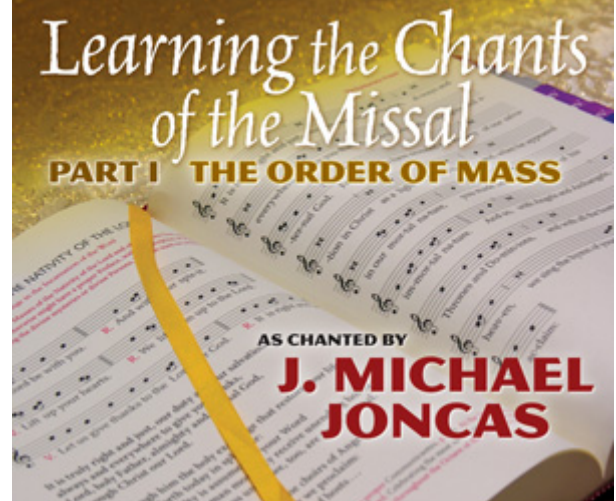

Michael S. Driscoll, J. Michael Joncas
The Order of Mass: A Roman Missal Study Edition and Workbook

From the Introduction:

"*The Order of Mass: A Roman Missal Study Edition and Workbook* has been designed as a resource to be consulted weekly while preparing to celebrate the liturgy. The proclamation and chant tips will aid the Priest Celebrant in praying the Mass confidently, the pastoral commentaries will enrich the understanding of the prayers, helping the Priest to pray from the heart."

"But this workbook is not exclusively for Priests. Our hope is that liturgical musicians will gain knowledge about the Order of Mass that will help them in their ministry. If the goal of the liturgical reforms of the Second Vatican Council was to sing the liturgy and not simply sing at the liturgy, this workbook should be of great assistance."

Here is what St. Anthony Messenger Press says about this product:

Noted liturgist Rev. Lawrence E. Mick discusses how the new English translation of the *Roman Missal* came about and what changes people will see in the prayers and responses in the Mass, beginning in Advent 2011.

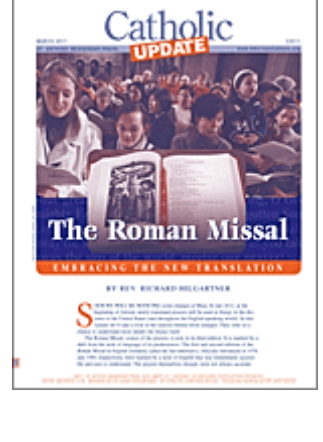

In this issue of *Catholic Update*, author Rev. Lawrence E. Mick discusses the upcoming changes in the language we use at the liturgy. He mentions the concerns some have had that the changes are part of a larger trend to reverse the renewal of the liturgy that was mandated by the Second Vatican Council in its *Constitution on the Sacred Liturgy* (1963). But, he writes, "Even a quick look at the coming changes reveals that they are not a major reversal of the post-Vatican II reforms. This new translation of the Mass, not a new ritual for celebrating the Eucharist." He notes that congregations will notice the changes as they occur during key spots in the liturgy. He concludes, "While these changes require us to learn some new language, the arrival of the new missal offers us a prime opportunity to deepen our understanding and appreciation of the Mass."

Here is what St. Anthony Messenger Press says about this product:

Fr. Richard Hilgartner is a priest of the Archdiocese of Baltimore and serves as executive director of the Secretariat of Divine Worship at the United States Conference of Catholic Bishops. He holds a Licentiate in Sacred Theology (Sacramental and Liturgical Theology) from the Pontifical Athenaeum of Saint Anselm in Rome.

Begins with this:

Soon we will be noticing some changes at Mass. In late 2011, at the beginning of Advent, newly translated prayers will be used at liturgy in the dioceses of the United States (and throughout the English-speaking world). In this *Update* we'll take a look at the

Concludes with this:

Patience, people

The hope and prayer of translators is that the new translation will help all of us to pray at our best. In the words of *Liturgiam Authenticam*, "By means of words of praise and adoration that foster reverence and gratitude in the face of God's majesty, his power, his mercy and his transcendent nature, the translations will respond to the hunger and thirst for the living God that is experienced by the people of our own time" (#25). The new translation is a response to the needs of our time.

To pray the liturgy well will take work, both for priests and for the faithful. The fruit of that labor, flowing from a language of prayer that moves and stirs our hearts, will be a work that gives God an offering of praise. The People of God, gathered in liturgical assemblies, will be attuned to God's presence and able to express themselves in a way that fosters a right relationship with the Lord. Isn't that why we go to Mass?
